AFRICAN POTATO CREAM

for pain or dry and inflamed skin conditions
with African potato, aloe vera and evening primrose

Enjoy a sense of well-being. This rich and moisturising anti-inflammatory cream helps to ease discomfort in the body and relieve dry and inflamed skin conditions.

African potato extract has been used for centuries by African traditional cultures for its potent anti-inflammatory, antimicrobial and antioxidant properties.

Summary description:	African Potato Cream , made with potent African potato extract, aloe vera, avocado and evening primrose oils, is a deep penetrating and hydrating anti-inflammatory cream used to help relieve pain and discomfort, and to treat dry and inflamed skin conditions.
Uses:	African Potato Cream can be used for; <ul style="list-style-type: none"> ● muscle and joint pain ● swelling and stiffness ● sprains and bruising ● autoimmune disorders like arthritis and gout ● painful conditions like varicose veins and tennis elbow ● burning and tingling sensation from diabetic foot problems ● restless legs at night ● sunburn and minor burns ● eczema, psoriasis and rashes ● inflamed acne and pimples ● skin concerns like warts, stretch marks, scars and very dry skin
Convenience:	African Potato Cream simplifies wellness care; <ul style="list-style-type: none"> ● it is an effective anti-inflammatory salve to help manage a variety of skin issues, as well as aches and pains ● the natural ingredients allow long-term topical use without side effects ● it eliminates the need for multiple products in your medicine cabinet ● the jar has a fitted cover that prevents the cream from spilling into the lid when transported in a travel bag ● the packaging is opaque to ensure that active ingredients are not degraded by light
Ingredients:	Water (Aqua), Aloe Barbadensis (Aloe Vera) Leaf Extract*, Cocos Nucifera (Coconut) Oil, Helianthus Annuus (Sunflower) Seed Oil, Cera Alba (Beeswax), Glyceryl Stearate, Glycerin, Caprylic/Capric Triglyceride, Hypoxis Hemerocallidea (African Potato) Extract, Glyceryl Stearate Citrate, Cetearyl Alcohol, Persea Gratissima (Avocado) Oil, Xanthan Gum, Glyceryl Caprylate, Stearic Acid, Tritium Vulgare (Wheat Germ) Germ Oil, Ascorbyl Palmitate (Vitamin C), Oenothera Biennis (Evening Primrose) Oil, Benzyl Alcohol, Dehydroacetic Acid, Citric Acid, Melaleuca

Made in South Africa

	<p>Alternifolia (Tea Tree) Leaf Oil, Cinnamomum Camphora (Camphor) Bark Oil, Tocopherol (Vitamin E), Pelargonium Graveolens (Rose Geranium) Oil, Rosmarinus Officinalis (Rosemary) Leaf Oil*, Limonene**, Linalool**, Citronellol**, Geraniol** *certified organic ingredients **from essential oils 99.5% of the ingredients are from natural origin</p>							
Active ingredient benefits:	<ul style="list-style-type: none"> ● African potato is rich in phytosterols and acts as a potent anti-inflammatory to relieve aches and swelling. It aids the skin healing process through its exceptional antioxidant content. ● Aloe vera offers excellent anti-inflammatory abilities and together with African potato, the combination targets pain and soothes discomfort. It absorbs easily and draws the beneficial qualities of other ingredients into the skin. ● Avocado oil is vitamin-rich and highly beneficial for very dry and mature skin. It has powerful regenerative properties and assists in reducing age spots and scars. ● Beeswax has mild anti-swelling properties and helps to relieve topical inflammation. ● Camphor oil provides a cooling effect on skin that helps relieve pain. It's also antispasmodic and soothes cramps. ● Coconut oil is excellent for dry skin and penetrates deep into the epidermis. It improves firmness and skin tone. ● Evening primrose, wheat germ and sunflower seed oils are hydrating and nourishing, and rich in essential fatty acids, vital for skin formation. They also deliver powerful antioxidants, which prevents free-radical damage. ● Tea tree, rosemary and rose geranium oils offer excellent antimicrobial properties. Together these essential oils purify and protect the skin. ● Vitamin E is a potent antioxidant that stimulates cell regeneration and reduces the appearance of skin imperfections. 							
Skin types:	Formulated for dry and inflamed skin. Suitable for individuals with sensitive skin; free of synthetic perfumes. It spreads and absorbs easily. It hydrates, nourishes and soothes the skin.							
Directions:	Apply to the affected area as frequently as needed. Use on clean, dry skin. Gently massage into the skin until the cream is absorbed. On sensitive and tender skin, spread the cream in your hands and gently pat into the affected area until absorbed.							
Storage:	Store below 25 °C / 77 F away from direct sunlight.							
Caution:	Avoid contact with eyes. Discontinue use in case of sensitivity.
