benefits:	<ul style="list-style-type: none"> <li>● <b>Calendula</b> stimulates the production of collagen at wound sites and calms skin irritations and itchiness. It offers anti-inflammatory and antimicrobial properties.</li> <li>● <b>Echinacea</b> is a natural immune booster and stimulates the healing process. It also offers additional antiseptic properties.</li> <li>● <b>Tea tree</b> oil is a potent antiseptic with anti-inflammatory properties. It is very effective against bacterial and fungal infections.</li> <li>● <b>Vitamin E</b> is a potent antioxidant that stimulates cell regeneration and reduces the appearance of skin imperfections.</li> </ul>							
Skin types:	Formulated for sensitised, irritated, damaged and problem skin. Suitable for individuals with sensitive skin; free of synthetic perfumes. It's light and spreads easily, leaving the skin feeling purified and hydrated. It reduces itchiness and relieves irritations.							
Directions:	Apply to the affected area as frequently as needed. Use on cleansed skin, under moisturiser. Gently massage into the skin and allow it to absorb. On sensitive, damaged or broken skin, spread the gel on your fingers or in your hands and gently pat into the affected skin. Allow to absorb.							
Storage:	Store below 25 °C / °77 F away from direct sunlight.							
Caution:	Avoid contact with eyes. Discontinue use in case of sensitivity.							
Size:	100ml tube and 60ml tube
